

Wilkes Fresh Mobile Market Operator

+ Position Summary

Recovery Revolution is seeking a motivated and community-focused **Wilkes Fresh Mobile Market Operator** to lead operations for the 2026 Wilkes Fresh Mobile Market season. This position plays a vital role in addressing food deserts and increasing access to fresh, locally grown produce throughout Wilkes and surrounding rural communities.

The Mobile Market Operator will be responsible for coordinating and operating scheduled market stops, transporting produce, setting up mobile market sites, engaging with community members, and ensuring smooth daily operations of the mobile market program. This is an active, outdoor position ideal for someone who enjoys community engagement, physical work, and promoting healthy living.

+ Essential Job Functions

- Operate and manage the Wilkes Fresh Mobile Market during scheduled community stops
- Coordinate weekly produce pick-ups from local farms, vendors, and suppliers
- Load, unload, organize, and display produce and market inventory
- Set up and break down mobile market locations efficiently and safely
- Maintain the cleanliness, organization, and appearance of the mobile market vehicle and equipment
- Engage with community members in a welcoming and professional manner
- Assist with inventory tracking, produce rotation, and market sales reporting
- Support outreach and promotion efforts for market stops and community events
- Ensure compliance with food handling, safety, and operational procedures
- Assist in identifying community needs and opportunities to improve food access services
- Work collaboratively with staff, volunteers, farmers, and community partners

+ Education and Experience

- High school diploma or equivalent preferred
- Valid driver's license with a clean driving record
- Ability to lift and carry up to **50 pounds regularly**
- Comfortable working outdoors in varying weather conditions
- Strong organizational and time-management skills
- Excellent communication and customer service abilities
- Ability to work independently and as part of a team
- Passion for community health, food access, and serving rural communities
- Experience in agriculture, farmers' markets, food distribution, or community outreach is a plus

+ Work Environment

- Frequent outdoor work at mobile market locations

- Routine lifting, bending, loading, and unloading of produce and equipment
- Travel throughout Wilkes and the surrounding communities is required
- Schedule may include occasional evenings or special community events

+ Impact

The Wilkes Fresh Mobile Market is a community initiative of Recovery Revolution, designed to increase access to fresh, healthy, and locally grown foods in underserved and rural communities. Through scheduled mobile market stops, the program works to reduce barriers caused by transportation limitations and food deserts while supporting local agriculture and community wellness.
