Recovery. Music. Community.

In honor of National Recovery Month, Recovery Revolution proudly presents Mend the Hills, a powerful evening of live music, storytelling, and community connection set in the foothills of Northwest North Carolina.

More than a concert, Mend the Hills is a celebration of recovery, resilience, and the strength of Appalachian communities. The event brings together individuals, families, advocates, and community partners to raise awareness, reduce stigma, and support those on the journey of recovery.

This year's event carries special meaning as Recovery Revolution celebrates 10 years of serving individuals and families across our region through peer support, recovery housing, workforce development, harm reduction, treatment access, and community outreach initiatives.

As Recovery Revolution enters its next decade of impact, Mend the Hills continues to grow through expanded outreach, stronger partnerships, and increased regional engagement.

Your sponsorship helps make this event possible while directly supporting the ongoing mission to restore hope, repair lives, and rebuild communities throughout Northwest North Carolina.
